My Stamp Album

Collect Your Favorite Subjects On Stamps

Name: _____

Welcome to fun, excitement and education of stamp collecting!

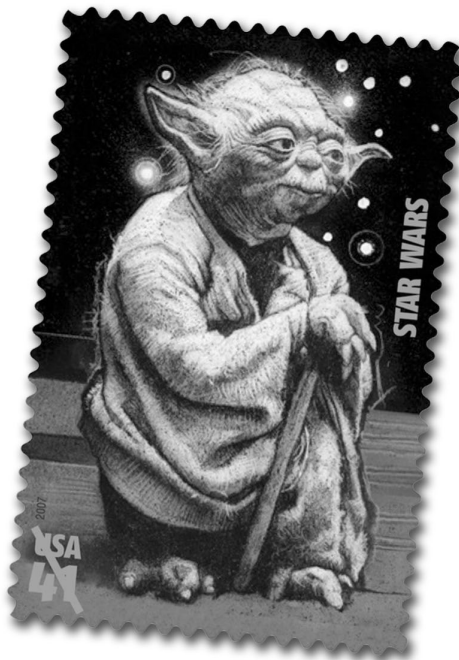

This, your first stamp album, is made to help you understand and enjoy the possibilities available to you. The pages have been designed to suggest different topic themes, all with spaces to hold stamps. Please feel free to use the album as you like, there are no requirements or formalities, no right or wrong things to do. Some stamps will fit perfectly within the spaces and some will not. *IT DOESN'T MATTER*; if you like the way a stamp looks on a page then, by all means, place it there! There's even a page at the back of the book to add your favorite stamps!

The purpose and idea is to have fun and get introduced to the world's most exciting hobby!

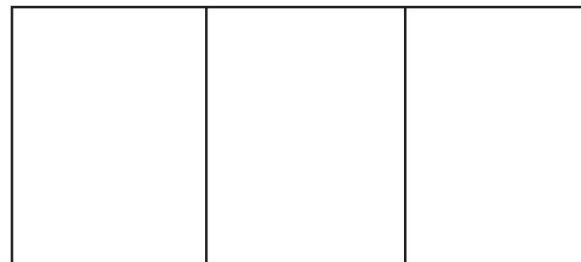

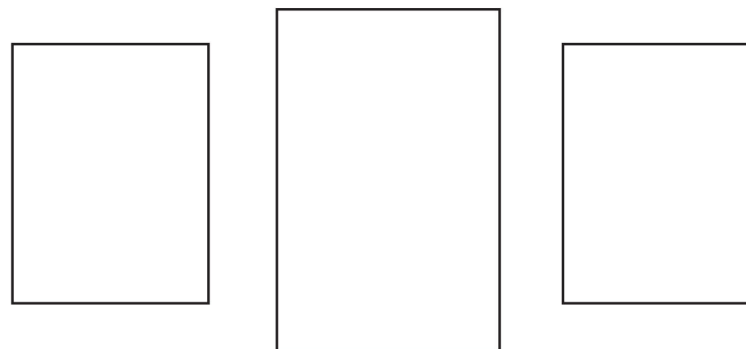

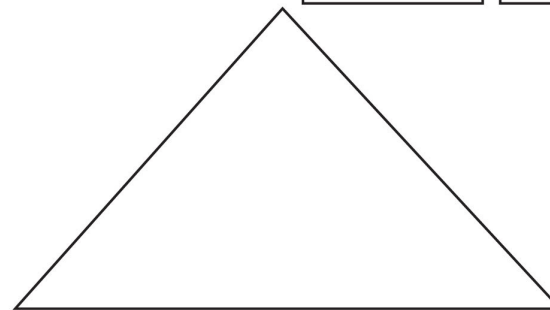

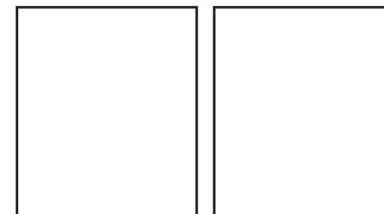

ENJOY!

Thanks to the following individuals and organizations whose donations made the printing of this book possible ...

Colorano
Len Curtis
Jim Dempsey
Mark Eastzer
Houston Philatelic Society
Tom Jacks
Arnie Kerman
Linn's Stamp News
